Admission requirements

- Submission of complete application documentation (see below)
- A professional degree (bachelor level or diploma) in architecture, an engineering discipline, design or other appropriate discipline
- For applicants whose first language is not English, evidence of proficiency in English (TOEFL) or other equivalent qualifications
- Interview with a member of the faculty by phone or at Zollverein School
- Applicants are strongly encouraged to visit the Zollverein School for an interview with the programme's academic staff. Appointments should be made through the secretary of the School.

Application documentation

- Completed application form
- CV in tabular form
- Evidence of an academic degree. Official, independent translations bearing the stamp/signature of the translator as well as the original documents are accepted. The Zollverein School cannot accept unofficial translations.
- For applicants whose first language is not English, evidence of sufficient English language skills by means of a TOEFL test with a minimum score of 180 points on the computer-based test.
- Applicants to SPACE² programme are expected to submit a portfolio of design work, no larger than A4 (8" x 11"), showing a combination of academic and professional work (if applicable) and clearly labelled. No CD or digital format will be accepted, except as an addition to the printed portfolio (this might show animations or videos not able to be shown in the printed portfolio).
- Candidate's Statement: Why are you applying for a place for the SPACE² programme at the Zollverein School? (Max. 1800 Characters)

I hereby apply for a place on the following degree course:

- SPACE²** Master of Architecture programme,
international full-time postgraduate degree course
at the Zollverein School
(starts October 2008)
